Discussion Topic:

How gender issues intersect with the criminal justice system.

Part 1

Question: How do we define or describe gender bias and sexual harassment? (Feel free to use your phones and computers to find definitions, and remember to write down the name of the organization/website where you found them.)

Question: What are the ways women experience gender bias in the workplace? (Again, search the internet. I recommend Google Scholar.)

Part 2

Question: How do female police officers experience gender bias in the workplace?

Question: How do female corrections officers experience gender bias in the workplace?

Part 3

Question: How are female offenders treated differently by the courts (as compared to males)?

Question: How are female offenders treated differently by corrections (as compared to males)?
