Discussion Topic:

Identify and describe an ethical theory from this course that may apply to your social justice topic.

Part 1

Question: What ethical theory in this course seems to apply to your social justice topic as a way for criminal justice officials to respond to the problem?

Question: What are your sources of information?

Part 2

Question: Who is the theorist of your theory?

Question: What are your sources of information?

Part 3

Question: What are the principles of the theory that guide decision-making, particularly the *summum bonum*?

Question: What are your sources of information?

Part 4

Question: How does your theorist define “justice”?

Question: What are your sources of information?
