

2017-2018 and Prior IDS COURSE LIST – APPROVED FOR AREAS

This list is for students who declared a B.S./B.A. in Interdisciplinary Studies, B.A. in Interdisciplinary Studies – Women’s Studies Track, or B.A. in Interdisciplinary Studies – Transgrass Track in catalog years Summer 2014 – Spring 2018.

Students who declared after (Summer 2018, Fall 2018, and Spring 2019) must use the 2018-2019 approved course list.

For courses that can be repeated for credit, up to three (3) hours can be used toward a student’s area.

Courses may have prerequisites that students must meet. Please consult the Academic Catalog and/or the department that houses the course.

Students must earn at least a “C” (2.0) in IDS 3933, IDS 4934, and all courses for their Areas of Study. Courses with a grade of an “S”, “U”, “P”, or “F” cannot be used towards any Area.

A “C-” is below a C.

Courses cannot overlap with UCF’s General Education Program AND your Areas of Study.

Arts area (BA)

Many Art area courses require prerequisites or permission to enroll. Some require auditions or portfolio reviews. Students who wish to complete this area should consult with an Interdisciplinary Studies advisor before embarking on it. We recommend completing a minor in the Art area.

*Note: Courses in black font may be accessible to Interdisciplinary Studies students. Other courses are restricted for students in an Art related major/minor. Some courses may require lower-level prerequisites for access. Please refer to the UCF Courses and Descriptions for a detailed list of prerequisites. This area cannot be completed online. Colleges and departments may not grant override requests and give preference to students who require a course for their major or minor. **Courses cannot overlap with UCF’s General Education Program AND your Areas of Study.***

Engineering area (BS)

Many Engineering courses require lower level prerequisites. Many courses are typically not open to students unless they are an Engineering major. **Students must meet prerequisites in order to enroll into courses.** These may include SOME or ALL of the following: MAC 2311, MAC 2312, MAC 2312, MAP 2302, PHY 2048C, and PHY 2049C.

Note: Courses in black font may be accessible to Interdisciplinary Studies students. Other courses are restricted for students in an Engineering major. Students may be able to receive overrides for indicated courses (*) assuming all prerequisites have been met through the College of Engineering and Computer Science. This area cannot be completed online. Colleges and departments may not grant override requests and give preference to students who require a course for their major or minor. **Courses cannot overlap with UCF's General Education Program AND your Areas of Study.**
