

Probation Appointment Preparation Form

Office of Interdisciplinary Studies

Name: _____ PID: _____

Please initial the following statements after you have read and comprehend each one:

_____ 1. I have reviewed and fully understand the terms of academic probation and continued probation at UCF and in order to remain at UCF next semester, I must receive at least a 2.0 GPA this term.

_____ 2. If I receive a 2.0 GPA for this semester, but my cumulative UCF GPA is still below a 2.0, I will be allowed to enroll at UCF for the following semester. However, I will remain on Academic Probation until my cumulative UCF GPA and semester GPA is above a 2.0.

_____ 3. I understand that, if I am taking courses transiently this semester, the grades earned in those courses at another institution, will not be a factor in my UCF term GPA.

_____ 4. I understand that a C- earned in any course is worth 1.75 grade points. Therefore, the course may not be considered a passing grade in most instances and could put me in danger of a less than 2.0 term GPA.

_____ 5. If I do not receive a 2.0 term GPA this semester, I will be disqualified from UCF (or excluded, if I have been previously disqualified). This means I must sit out a minimum of two semesters before I can reapply for admission. I understand that readmission is not guaranteed. If I am excluded, that is the end of my UCF career.

_____ 6. I have reviewed and fully understand the Grade Forgiveness policy, and I understand my personal options for using grade forgiveness.

_____ 7. I fully understand the process for satisfying incomplete courses at UCF.

_____ 8. I fully understand the process and policies regarding course withdrawal at UCF and know that the Withdrawal deadline for this semester is October 26, 2018.

_____ 9. I will check my UCF email regularly and read all correspondence from the University and especially from the Office of Interdisciplinary Studies.

_____ 10. I understand that not meeting with my advisor and having my hold lifted will delay my registration for Spring 2019 courses.

_____ 12. I understand that emailing my advisor is not the same thing as a scheduled meeting with my advisor and that to have any IDS Probation Hold lifted, I must schedule an appointment and subsequently attend the scheduled meeting.
