Inspirational Videos on Social Justice Topics

As you know, there are several activities and assignments which are related to the single social justice topic of your choosing. **Throughout this module, students will be working independently to choose and learn about a social justice topic/issue and explore how it intersects with criminal justice. The relationship between criminal justice and social justice will be examined through the lens of an ethical theory!** (See other module pages for more information).

The social justice topic areas you may choose from are as following:

- Behavioral health (e.g., drug use, mental health)
- Environmental justice
- Gender justice
- Hunger & Homelessness

Inspirational Videos to Help You Decide on a Social Justice Topic

Students will choose their social justice topic and group. All of your discussions and assignments for the remainder of the course will be on that topic. So choose carefully. Here are some inspirational and informative videos and web links to help you decide on a social justice topic!
